

Second Scientific Meeting
of

Asian Society for Female Urology

24 - 25 August 2000

Hong Kong

*Female Urology in
the New Millennium*

Hosted by :

The Hong Kong College of Obstetricians and Gynaecologists

Hong Kong Continence Society

Hong Kong Urological Association

Supported by :

Asia Pacific Continence Advisory Board

24 August 2000 (Thursday)

09:00 - 09:20	Opening Ceremony
09:00 - 09:05	Introduction - <i>Dr. Edward Leung, Chairman of Organizing Committee</i>
09:05 - 09:15	Welcome Address - <i>Dr. E. K. Yeoh, Secretary for Health and Welfare, Hong Kong</i>
09:15 - 09:20	Welcome Address - <i>Prof. Peter Lim, President of Asian Society for Female Urology</i>
09:20 - 10:40	Plenary Session 1 (Moderator: Dr. Sahabudin Raja Mohamed / Dr. Shing-kai Yip)
09:20 - 09:40	Development of Female Urology - an Asian Perspective - <i>Prof. Peter Lim (Singapore)</i>
09:40 - 10:10	Urethrovessical Dysfunction - International Continence Society Standards - <i>Prof. Richard Millard (Australia)</i>
10:10 - 10:40	Effects of Ageing on the Female Genitourinary Tract - <i>Prof. Christopher Haines (Hong Kong)</i>
10:40 - 11:00	Coffee Break
11:00 - 12:30	Plenary Session 2 (Moderator: Dr. Yong Yang / Dr. Edward Leung)
11:00 - 11:45	Management of Urinary Incontinence in Older Females - <i>Prof. Joseph Ouslander (USA)</i>
11:45 - 12:30	Choice of Surgery for Urethral Sphincter Incompetence - <i>Prof. Stuart Stanton (United Kingdom)</i>
12:30 - 14:00	Lunch
14:00 - 15:30	Plenary Session 3 (Moderator: Prof. Jae-yup Hong / Dr. Thomas Wong)
14:00 - 14:45	Surgery for Vaginal Prolapse - <i>Prof. Stuart Stanton (United Kingdom)</i>
14:45 - 15:30	Use of Neuromodulation in Voiding Dysfunction - <i>Prof. Ruud Bosch (The Netherlands)</i>
15:30 - 16:00	Coffee Break
16:00 - 17:30	Free Paper Concurrent Session I: Surgery of Incontinence (Moderator: Prof. Peter Lim / Dr. Tim-fuk Yiu)
	Operative Complications and Short-Term Outcome of Colposuspension in the Treatment of Genuine Stress Incontinence - <i>Dr. Chi-wai Kwok (Hong Kong)</i>
	Long Term Results of Laproscopic Retropubic Colposuspension - <i>Dr. Selina M. W. Pang (Hong Kong)</i>
	Prospective Randomized Controlled Trial Comparing Laparoscopic and Open Colposuspension - <i>Dr. Jimmy H. L. Mak (Hong Kong)</i>
	Urodynamic Changes after Combined Fascial Pubovaginal Sling and Anterior Vaginal Wall Suspension in Patients with Genuine Stress Incontinence - <i>Dr. Bill T. H. Wong (Hong Kong)</i>
	A Malaysian Experience of Pubovaginal Fascial Sling for Stress Incontinence - <i>Dr. Chit-sin Loh (Malaysia)</i>
	Pubovaginal Sling Operation for Female Stress Urinary Incontinence: Short-Term Results in 40 Cases - <i>Prof. Yong-gil Na (Korea)</i>
	Laparoscopic Sling Cystourethropexy in Treatment of Female Genuine Stress Incontinence - <i>Dr. John Y. S. Liu (Hong Kong)</i>
	Laparoscopic Burch Colposuspension Versus Tension - Free Vaginal Tape for Stress Urinary Incontinence - <i>Dr. Ching-chung Liang (Taiwan)</i>
	Ultrasonographic and Urodynamic Evaluation after Tension Free Vaginal Tape Procedure (TVT) - <i>Dr. Tsia-shu Lo (Taiwan)</i>

16:00 - 16:45	<p>Free Paper Concurrent Session IIA: Urodynamics and Voiding Disorders (Moderator: Dr. John Fenn / Dr. Cecilia Cheon)</p> <p>A Review of Female Urodynamic Study Comparing the Predicted and the Actual Result - <i>Dr. Fu-keung Cheung (Hong Kong)</i></p> <p>Urodynamic Evaluation of Female Stress Incontinence - <i>Dr. Sau-kwan Chu (Hong Kong)</i></p> <p>Sonographic Differences between Continent and Stress Incontinent Women - <i>Dr. Maria T. Luna (Philippines)</i></p> <p>A Clinical Study of Female Urinary Retention - <i>Dr. Angela K. C. Sit (Hong Kong)</i></p> <p>Aetiological and Outcome Analysis of Female Patients Presenting with Retention of Urine - <i>Dr. Pak-ling Liu (Hong Kong)</i></p>
16:45 - 17:30	<p>Free Paper Concurrent Session IIB: Quality of Life and Conservative Treatment of Voiding Disorders (Moderator: Dr. Bill Wong / Dr. Thomas Wong)</p> <p>Correlation of Urodynamic Diagnosis and Quality of Life Measurements in Hong Kong Chinese Women with Urinary Incontinence - <i>Dr. Peter H. Y. Leung (Hong Kong)</i></p> <p>A Randomized Controlled Trial of Tolterodine Versus Oxybutynin in the Treatment of Overactive Bladder in Hong Kong Chinese Women - <i>Dr. Peter H. Y. Leung (Hong Kong)</i></p> <p>Retrospective Study on the Effectiveness of Pelvic Muscle Exercises in Management of Female Incontinence - <i>Ms. Katherine Siu (Hong Kong)</i></p> <p>Pelvic Floor Exercise is an Effective Treatment for Stress Incontinence - <i>Ms. Miu-ling Li (Hong Kong)</i></p> <p>Ward-Based Continence Promotion Programme in an Extended Care Hospital - <i>Dr. Cheuk-kwan Tam (Hong Kong)</i></p>
17:30 - 18:00	<p>Cocktail Reception</p>
18:00 - 19:00	<p>Satellite Symposium (sponsored by Johnson and Johnson (Hong Kong) Ltd. - Medical Division)</p> <p>Tension Free Vaginal Tape Panel – International Experience - <i>Prof. Stuart Stanton (United Kingdom)</i> - <i>Dr. Alex Wang (Taiwan)</i> - <i>Prof. Myung-soo Choo (Korea)</i> - <i>Dr. Cecilia Cheon (Hong Kong)</i> - <i>Dr. How-chuan Han (Singapore)</i></p>
19:00 - 22:00	<p>Welcome Dinner</p>

25 August 2000 (Friday)

09:00 - 10:45	<p>Plenary Session 4</p>
	<p>Female Urology in Asian Countries (Moderator: Dr. Rudi Yuwana / Dr. Tin-fook Kwok)</p> <p>09:00 - 09:15 The Epidemiology of Urinary Incontinence in Asian Females - <i>Dr. Marie Lapitan (Philippines)</i></p> <p>09:15 - 09:45 Interstitial Cystitis, Urethral Syndrome and Chronic Pelvic Pain Syndrome - <i>Dr. Chong-min Chin (Singapore)</i></p> <p>09:45 - 10:15 Uses and Cost Effectiveness of Urodynamic Studies in Asia - <i>Prof. Pichai Bunyaratavej (Thailand)</i></p> <p>10:15 - 10:45 Female Urology Patients - Who Should Take Care of Them, Urologist or Urogynaecologists? - <i>Dr. Sahabudin Raja Mohamed (Malaysia) and Dr. Alex Wang (Taiwan)</i></p>

10:45 - 11:15	Coffee Break
11:15 - 11:45	Plenary Session 5 The Overactive Bladder (Moderator: Dr. John Fenn) Drug Treatment for Overactive Bladder - Management Today and Tomorrow - <i>Prof. Richard Millard (Australia)</i>
11:45 - 12:25	Plenary Session 6 Management of Urinary Incontinence in Special Groups (Moderator: Prof. C. K. Yeung)
11:45 - 12:05	Paediatric Incontinence - <i>Dr. David Bolong (Philippines)</i>
12:05 - 12:25	Neurogenic and Post-Radiation Bladder Dysfunction - <i>Dr. Bill Wong (Hong Kong)</i>
12:25 - 14:00	Lunch
14:00 - 14:45	Plenary Session 7 Promotion of Continence Care - A Multi-Disciplinary Approach (Moderator: Ms. Wai-kuen Lee / Ms. Katherine Siu)
14:00 - 14:15	Rehabilitation of Muscles of the Pelvic Floor - What Works and What Doesn't - <i>Ms. Pauline Chiarelli (Australia)</i>
14:15 - 14:30	Promotion of Continence Care in a District General Hospital - <i>Ms. Sau-kuen Chan (Hong Kong)</i>
14:30 - 14:45	Advances in Catheter Care - <i>Ms. Jeanette Williams (Australia)</i>
14:45 - 15:15	Coffee Break
15:15 - 16:35	Video Workshop on Surgical Treatment of Urinary Incontinence (Moderator: Dr. Chit-sin Loh / Dr. Tim-fuk Yiu) Suburothelial Bulking Agent Injection for SUI - <i>Prof. Jeong-gu Lee (Korea)</i> Artificial Urinary Sphincter - <i>Prof. Peter Lim (Singapore)</i> Pubovaginal Sling Using Rectus Fascia or Cadaveric Fascia - <i>Prof. Alex Lin (Taiwan)</i> Laparoscopic Surgeries - <i>Dr. Cecilia Cheon (Hong Kong)</i>
16:35 - 17:35	Plenary Session 8 Preventable Factors in Female Urology (Moderator: Dr. Damrongpan Watanachote / Dr. Cecilia Cheon)
16:35 - 16:55	Risk Factors in Female Urinary Incontinence - What are the Preventables? - <i>Dr. Shing-kai Yip (Hong Kong)</i>
16:55 - 17:15	Management of Urinary Fistula in Obstetric & Gynaecological Practice - <i>Dr. Masood Sheikh (Pakistan)</i>
17:15 - 17:35	Management of Complications and Retention after Surgery for Stress Urinary Incontinence - <i>Prof. Richard Millard (Australia)</i>
17:35 - 17:45	Closing Remarks - <i>Scientific Programme Committee</i>
